FIELD MEMORANDUM SCS #1096

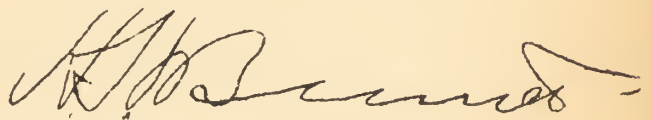

Re: Revision of Prices
for
Photographic Reproductions

October 1, 1943

TO ALL RANKING FIELD OFFICERS:

The price for photographic reproductions as listed in The Secretary Memorandum No. 755 Form 1 - (Revised July 1, 1940) shall be effective on October 1, 1943 for all Divisions, Sections, Units, Regions and Projects for the Soil Conservation Service.

It was found necessary to rescind the Confidential Price List to Soil Conservation Service, (Revised October, 1940) due to the increased cost of labor, materials, and the difficulty of securing the services of experienced photographic personnel.

Chief
